[Elliot A. Boxerbaum, MA, CPP, CSC](#) is the founder and president of Security Risk Management Consultants, Inc., an independent security consulting organization serving clients throughout the United States as well as around the globe. He has been a member of the IAPSC since January 2002 - it seems longer because he has filled that time with so many activities to the benefit of the Association... [\[Read more\]](#)

## Who's Who in IAPSC

Meet Darrell Clifton, an IAPSC member since March 2013.

[Darrell Clifton, CPP](#) is the Director of Security at Circus Circus Hotel Casino in Reno, Nevada, having worked his way through every position in that department from front-line security officer. Darrell was very fortunate to have cross-trained in every operational department within the hotel and casino, which has rounded his perspective on the relationship between Security and the success of the entire company.

During his 25 years in Security Management, he has specialized in the process of prevention. This experience has lead to the creating, writing, and implementation of new policies and programs on such topics as Workplace Violence Prevention, Hotel Security, Casino Security and Surveillance, Crime Prevention, Emergency Preparedness & Business Continuity, Drug Recognition, and many others.

## Enhance Your Web Presence

As a benefit of membership, IAPSC members have a listing in the new and improved "[Find a Consultant](#)" search on the website.

Be sure that you're making the most of this valuable marketing tool for your business by updating your photo, contact information, and subjects of expertise.

To get started, visit [www.iapsc.org](http://www.iapsc.org) and log in to the Members Section. Once there, you can navigate to "Edit My Profile" to begin entering information.

### QUICK TIPS:

- To log in for the first time, click "forgot?" and enter your email address.
- In the keywords section of your profile, enter "works" (compound words or phrases) which describe your business, separated by commas. This will ensure that your business comes up in all relevant searches.
- For the best looking photo ("avatar") for your profile, please upload a high-resolution photo of at least 250 x 250 pixels at 72 dpi.
