

February 2011

Dear ,

Did you know that IAPSC is **#1** on the Google Search Engine? It is just one of the benefits of membership that attracts new business to IAPSC members. IAPSC can hold onto that #1 spot with your help: whenever you have an opportunity to mention IAPSC in an article you're writing or a posting on the Internet, be sure to mention your membership in IAPSC. This will help us keep IAPSC in that #1 spot and we all benefit.

Looking forward to seeing you at the annual membership meeting in San Diego in April!
