

IAPSC Conference Supporter Prospectus

Amplify your brand at the 41st Annual IAPSC Conference in Chandler, Arizona!

The International Association of Professional Security Consultants (IAPSC) is a respected nonprofit and a leading authority in security consulting. Our conference draws over 90 professionals annually, featuring 8 hours of sponsor networking, 17+ hours of education, and dedicated sponsor spotlight sessions — offering an ideal platform to showcase your products and expertise.

Why sponsor IAPSC?

- **Access to Experts:** Connect with top security consultants across management, physical security, and electronic systems design.
- **Trusted Environment:** Benefit from unbiased recommendations by independent consultants, enhancing your brand's credibility.
- **Networking:** Engage with a strong network of influential industry professionals for partnerships and growth.
- **Visibility:** Position your brand as a committed leader in security consulting excellence.
- **Education:** Help educate consultants on emerging technologies, strengthening your role as an industry innovator.

Sponsoring IAPSC aligns your company with industry leaders, expands your network, and supports the advancement of security consultancy standards.

If interested in participating in this year's conference, please contact us at events@iapsc.org
