

IAPSC Awards Committee Charter

Last revised March 2025

Purpose

The IAPSC Awards Committee is a standing committee of the International Association of Professional Security Consultants and is dedicated to recognizing those individuals and organizations that go above and beyond for the IAPSC and the security industry.

The Awards Committee is responsible for nominating and choosing those who are deemed eligible by committee standards and By-Laws.

Vision

To present well-deserving independent individuals that are qualified and deserving of being recognized by the organization.

Responsibilities

To solicit recommendations from IAPSC members and committees on suitable persons that are well deserving of being recognized for their achievements and dedication to the association and to the security profession.

To professionally vet the nominees and present those nominees to the executive committee.

Committee Leadership

The Chair of the Awards Committee shall be appointed by the Association President.

Other Committee members are selected by the Committee Chair.

Resources and Budget

The Committee will solicit a budget that is suitable for effectively accomplishing the goal of the executive committee and shall be included in the annual IAPSC budget for necessary support and resources.
